Written by Nick "Shemar" O'Conner and Donald O'Conner

**Intro**

Yeah, Yeah, Yeah, Yeah Hey! , Yeah, Yeah, Yeah, Yeah Hey!  
We're family, we're family, all together.  
We're family, we're family, and we'll last forever, oh yeah.

**Verse 1:**

It's a family affair no time to be scared, it don't really matter if you here or there.  
Thinking bout you all the time, making sure you're okay.  
Always got you on my mind, hoping you have a good day.  
I know it's such a crazy time being in this world.  
This song goes out to all the boys and girls.  
Stay strong listen to my philosophy.

**Chorus:**

Cause we're family, we're family, all together.  
We're family, we're family and we'll last forever.  
We're family, we're family through this stormy weather.  
We're family, we're family, oh yeah

**Verse 2:**

Somebody tell corona that we're gonna fight back.  
I promise to you all that we will get our life back.  
When school starts we're gonna end up on the right track.  
It's too far in the year to try and back track.  
I can't wait to go and eat lunch with my friends.  
Go out and play, maybe swing, yea it depends.  
Catch up with my friends at the bus stop.  
The only thing I love is that I don't need an alarm clock.  
It's a house party go and do your dance.  
Please do not forget to go and wash your hands.  
And we gone bring each other to the promise land.  
And we gone make it through this hope you understand.

**Chorus:**

**Verse 3:**

This corona situation been a curse and a blessing.  
Yeah, we all can learn from it cause its teaching us a lesson.  
Stay with your family cause we all got time.  
No more work, don't call me, don't hit my line.  
Let's relax, watch a movie, play some Uno cards.  
We have fun in the house we don't need a car.  
Monopoly, enjoy life this is the family part.  
We can make it through together, we some superstars

**Chorus:**

**End Chorus:** We're family, family, family, family (repeat 8 times)

And we'll last forever, all together.
